Amazing renovated apartments in Denia Perched along the picturesque Costa Blanca lies a charming enclave nestled at the base of the majestic Montgo mountain. Here, you'll discover meticulously crafted Spanish-style apartments, each boasting its own unique design amidst verdant landscapes and natural splendor. Every apartment presents either one or two bedrooms, a well-appointed bathroom, a fully equipped kitchen, and a generously sized living area. Step outside to unwind on your terrace or bask in the serenity of the expansive garden. For added convenience, a separate laundry room enhances daily living. Embracing sustainability, these residences feature a solar-powered boiler for hot water and boast energy-efficient amenities like an energy certificate and fibre optic internet.
