This contemporary ground floor apartment is set within a peaceful urbanisation, just a short distance from the beach. The building is modern and well maintained, with lift access and attractive communal areas that include landscaped gardens and a swimming pool. Inside, the apartment offers a bright open plan layout, with the kitchen flowing naturally into the living and dining space, making it both practical and inviting. There are three bedrooms, each fitted with built in wardrobes. The main bedroom has its own en suite bathroom and opens directly onto the private terrace garden. The remaining two bedrooms are served by a separate bathroom, suitable for family use or visiting guests. Outside, the property benefits from a private garden terrace of around one hundred square metres, with direc...(Ask for More Details!)
